

The Navajo Nation Department of Agriculture and CKP Insurance are pleased to present the

# 2022 Navajo Farm & Garden Incentive Program

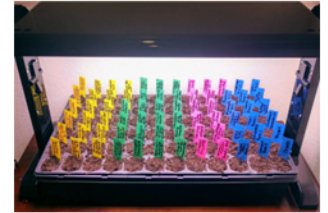

The Program offers Navajo farmers and gardeners a financial incentive for crop and food production. The AIF supports economic reciprocity among farmers, gardeners, ranchers and local consumers on the Navajo Nation. Previously funded projects include wind tunnels, hoop houses, apiaries, pollinator habitats, gardens and farm projects.

## Who can apply?

- All Farmers & Gardeners on the Navajo Nation
- Non-profit organizations

## What is the program criteria?

- All agriculture projects must be on the Navajo Nation
- Identification card/Driver's license
- Social security card
- W9 Form, applicants may receive a 1099 based on award amount
- Agriculture Land Use Permit (ALUP) if available
- Returning applicants must submit 2021 Crop Report
- 2022 AIF Crop report submission required upon harvest

Online application available March 1 - 31, 2022 @ [navajoaif.com](http://navajoaif.com) or

The Agriculture Infrastructure Fund within the Pasture Range and Forage insurance authorization was established by Navajo Nation Council Resolution No. CO-57-16 to provide direct services and benefits to Navajo ranchers, farmers and entities, to assist in improving agricultural infrastructure and enhance management of productive farms and ranches on the Navajo Nation.

Continuing support from the Resources & Development Committee ensures programs operate continuously to address: Range & Grazing Management, Tribal Ranch Infrastructure, Farming & Irrigation Projects, Watershed Planning, Developing Agriculture Service Centers, Area Wide Fencing, Windmill Repairs & Maintenance, Windmill Solar Conversion, Gardening, Wind Tunnel and Hoop House, Drought Mitigation, and Agriculture Producer Incentives.
